196

From the desk of:-

JAMES W. GEIGER

To:- John Bell -

Please sort these cards and give me the number of smokers in each brand category who consume the following numbers of cigarettes:

6 or less	(41-1)
7-15	(41-2)
16-25	(-3)
26-35	(-4)
36 or more	(-5,6,7)

Also give the corresponding percentage of the total in each brand category.
